Re: Docket No. 17-0129 – Delmarva Power & Light Company's
Excess Flow Valve Application

Dear Ms. Nickerson:

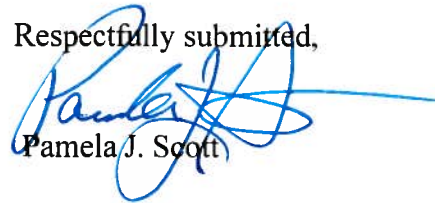

Please accept this letter as Delmarva Power & Light Company's ("Delmarva") request to table the above-referenced Application and cancel the hearing scheduled for April 20, 2017. Delmarva makes this request in order to give the parties an opportunity to further discuss the impact of the regulations recently adopted by the Pipeline and Hazardous Materials Safety Administration (PHMSA) pertaining to Excess Flow Valves (EFVs) and to attempt to address questions that have been raised by the parties.

Delmarva has discussed its intent to table the Application and cancel the hearing with the other parties in this docket, specifically, Public Service Commission Staff ("Staff") and the Delaware Public Advocate ("DPA") and the parties do not oppose Delmarva's request.

We will notify Staff and the DPA when we are ready to move forward with the Application.

Should you have any questions, please do not hesitate to contact me at 302-429-3143.

Respectfully submitted,
